DETAILED ACTION

Allowable Subject Matter

1. Claims 2, 4-7, 9, 11, 13, and 14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

U. S. Publication 2002/0057340 to Fernandez et al. is the reference closest to the claimed invention. Fernandez et al. disclose a system for monitoring a house comprising: a sensor component that receives data from at least one sensor located in the house; an analysis component that analyses said data and converts said data into status information, said analysis component storing said data and status information to develop historical information; a customer interface component that enables a customer to access said generated data, previous historical information, and said status information via an online customer user interface. However, Fernandez et al. do not teach said customer interface component further enabling a customer to access warranty information corresponding to said at least one of an appliance, structural element and environmental condition; and including all of the other limitations in the respective independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
